Albany High School

Open Tech Welcomes Albany High School to the School Track™ Family

Albany, NY (September 2008) – With the start of the new school year, Albany High School will begin using School Track™. As students arrive on the first day of school they will now be required to scan their ID badge to record their arrival in school. Additionally, administrators will have the mobility needed to scan cards and verify schedules of students that are in the halls after the bell rings.
